Join Our Great Family of Residents and Staff

Come join our team of residents and staff in the beautiful Northwest, a short drive to Seattle, and nestled in an outdoor paradise right on the Puget Sound! Here at the Navy PSFMR you will find us to be:

- **Resident-Led and Flexible** Creative and collaborative to help you meet your goals.
- **Clinically Focused** Entire hospital and staff are committed to prepare residents to be future colleagues as full spectrum FPs.
- **Academically Outstanding** 5 year ACGME Accreditation and top performance on Family Medicine Boards
- **Evidence-Based Scholarly Activity** Our residents and staff have presented in many journals, regional and national meetings.
- **Family and Fun!!!** We are a team that cares about one another and enjoys our time both at work and home.

PSFMR HIGHLIGHTS:

- 6 residents per year group and only residency at Naval Hospital Bremerton
- 2:1 Resident to FP faculty ratio
- Mixture of civilian and military faculty with broad range of additional skills including fellowship trained faculty in women's health and sports medicine
- Local training partnerships to augment the curriculum, including University of Washington, Madigan Army Hospital, and other local facilities
- Train with other residents in an integrated Patient-Centered Medical Home
- Procedural training to suit your personalized educational goals

MEDICAL STUDENT CLERKSHIPS:

We will strive to provide you with the best educational experience, helping you meet your educational hopes, and giving you a great exposure to Navy Family Medicine!

- Exposure to full spectrum of FM care
- Hands-on procedural experience
- 4 week opportunities with a mixture of outpatient/inpatient exposure
- Academic rigor and fun opportunity to explore the beauty of the NW!
